

VAL-u Line Cash Drawers

The Perfect Cash Drawer for Medium Duty Applications.

Medium duty POS systems are typically lower priced and less robust than their heavier duty counterparts. While MMF's VAL -u Line cash drawers are certainly lower priced, they are still durable enough to meet the demands of verticals like Specialty Stores and Cafeterias where a medium duty cash drawer might be called for. This line offers affordable versatility and provides many performance features found only in higher priced, heavier duty drawers.

VAL-u Line Cash Drawers

Mid Size Models

In response to the demand for small footprint Medium Duty Cash Drawers for use in theaters, amusement parks, cafeteria applications and retail kiosk, the **VAL-u Line** series of cash drawers has been expanded. The newest additions to the line are available in printer driven and manually operated models in black or cool white colors and a choice of 2 sizes:

- 13 W x 13 D x 4.3 H
- 13 W x 16 D x 4.3 H

All models feature

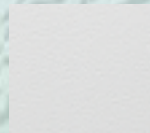

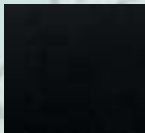

- center lock,
- roller bearing suspension system
- 4coin/4 bill cash tray
- quick disconnect cable for the printer driven version

For applications with limited space, the compact European style **Flip Top** cash drawer is a viable answer. Measuring only 18 x 6.7 x 4 inches, this newest member of the popular VAL-u Line series of drawers is available with an interchangeable receipt printer cable or IBM compatible cable. The unit features a hinged stainless steel lid, robust removable cash tray and a locking cash tray cover. A large, easily accessible slot makes it convenient to deposit and store media of any size. The size and economical price point make this an ideal drawer for applications such as grocery and ticketing.
